Abstract: This study is a comparison of AUPress with three other traditional (non-open access) Canadian university presses. The analysis is based on the rankings that are correlated with book sales on Amazon.com and Amazon.ca. Statistical methods include the sampling of the sales ranking of randomly selected books from each press.

Malaysia offers over 30 medical universities for students seeking a degree in medicine and medical research. When narrowing the field of potential universities, prospective students can refer to university ranking sites such as Webometrics or QS Top Universities to determine which schools are most highly acclaimed.
